Re: Scientific Article – Rafaela Cassaniga et. al.

I, **Todd Anthony Harkin**, hereby attest that I am a translator registered with the **American Translators Association**, and that I have translated the article *Mesenchymal stem cell treatment for feline medullary aplasia: Case report* from Brazilian Portuguese into English, and that to the best of my knowledge, ability, and belief this translation is a true, accurate, and complete translation of the original Brazilian Portuguese document that was provided to me.
